

Allied War Conferences

Responsibilities

You are responsible for researching at least five Allied War Conferences from the list below, making sure that your virtual museum addresses (answers and provides accurate information) the following questions:

1. What conference are you researching?
2. If it has one, what is the conference's code name?
3. What is its location? Why was this location chosen?
4. What were the dates of the conference?
5. Who were the major participants (leader and country)?
6. What were the major results or outcomes of the conference?
7. Were there any special circumstances surrounding the conference?
8. Were there any conference that led to this specific conference? Did this conference prepare for another conference?
