

# Battles

## Responsibilities

You are responsible for researching at least five battles from the list below, making sure that your virtual museum addresses the following questions:

- (1) What countries were involved in the battle / operation?
- (2) Where did the battle / operation occur?
- (3) How did geography and weather effect the outcome of the battle / operation?
- (4) How long did the battle / operation last? Give the dates.
- (5) Who was involved in the battle (infantry soldiers, fighter pilots, tank units, etc.)?
- (6) What machinery was used (tanks, planes, aircraft carriers, submarines, etc.)?
- (7) What weapons were used (grenades, guns, artillery, rockets, missiles, torpedoes, bombs, etc.)?
- (8) Who won? What was gained by the victor? What was lost by the defeated?
